### **Mission:**

#### ***InspireNOLA Wilson's***

mission is to transform and inspire  
an educational movement.

Good Evening Andrew Wilson Community,

We were informed this evening of a Covid-19 positive individual. This person has not been present on our campus for well over 48 hours, and there are no close contacts identified within our school community. We will continue to follow all CDC guidelines and the guidance we have received from Dr. Grace Lee, with the Louisiana Department of Health. The Health and Safety of all individuals will continue to be our number one priority – per protocol, masks will be worn by everyone while on campus, temperature checks and Covid screening questions will continue to take place for all individuals entering the building. Hand sanitizer protocols will continue to be followed upon entering the building and throughout the day. If you have any questions, please don't hesitate to reach out to me directly [\(504\) 373-6274](tel:5043736274).
